NIV Appointment System - Instructions

What you need:

- Your Internet browser must support 128-bit encryption.
- If you are using Internet Explorer (Windows), the minimum version that will work with this site is version 5.0, with service pack 2.
- If you are using Netscape, the minimum version that will work with this site is version 6.2.
- The barcode number from your printed [DS-160 electronic visa application form](#), if applicable.
- A printer to print your appointment confirmation.

How to use the NIV Appointment System:

1. Complete and print a [DS-160 electronic visa application form](#).
2. Click on the "Schedule Appointment" button below to select an available date and time for an appointment.
3. Enter the 10-digit barcode number from the last page of your printed electronic visa application form into the Barcode Number field, and then click "Submit".
4. Select an available appointment date from the calendar.
5. Select a preferred time for your appointment, and then enter your Surname, First Name, Identification Number, Email Address, and Identification Code.
6. Verify that all the information entered is correct, and then click "Submit".
7. Print the appointment confirmation page and bring it with you to your appointment.

Note: If you need to cancel or change an appointment at any time, return to this web site and click on the "Change/Cancel Appointment" button.

PLEASE NOTE: Applicants who do not arrive at their scheduled appointment time will be refused admission to the premises. Please do **not** arrive early for your appointment as you will not be allowed to queue up prior to your scheduled appointment time.

Your appointment time is when you will be allowed to queue up to begin the application process. Your interview will take place after the initial paperwork and processing are completed. Please understand that our strict policy on adhering to the stated appointment time is designed to ensure a shorter processing time for everyone.
